

Crown Lodge

We are pleased to be classed as a disabled friendly hotel, having an entrance with ramp access. Once inside, there are no steps to our dining room, or to either of our ground floor bedrooms.

The ground floor twin bedded room is most suited to guests with restricted walking ability, or who may need a wheelchair some of the time, and who would benefit from some support when using the en suite. The en-suite is a wet room with conveniently positioned grab bars and a shower seat.

However, our ground floor double bedroom has been designed with wheelchair users in mind. The room has been furnished to a high standard, and has an adjustamatic double bed. The wet-room en-suite is spacious and accessible to wheelchairs. A shower seat and several grab rails are provided to aid mobility.

The following items are available on free loan if required:

- Manual/Self Propelled Wheelchair
- Tri-Walker
- Shower Wheelchair
- Bed Guard
- Bed Raisers
- Toilet Seat Raiser
- Cushion for Shower Seat
- Intercom System
